
OohYa Will Be Shutting Down On Friday June 5th

As I mentioned in the member wide email we sent out, our advertising revenue has gone down significantly over the last few months. Unfortunately we've had basically zero interest in helping to keep the site up through this slow period.

Since the ad revenue at the moment is no longer able to cover the cost of the site and I am unable to continue to pay for the site out of pocket I have to close the site down.

I plan on pulling the plug on the site this Friday June 5th.

Damn sf, that sucks. But theoretically speaking what would you need to keep running?

I will do whatever I can, aside from joining the personals. I am going to seek out other ad revenue sources. Hopefully I can help keep Oohya alive.

If anyone would like to donate you can donate to our paypal at payments@oohya.net.

We need to raise \$300 by the end of the week to keep the server up.
