
so what the fuck folks.....

Posted by mikedo - 2009/04/04 15:14

so where the hell is everyone.....250,000,000 million gazillion people in the us and all we got is 50 people in the adult cam room and aint a one of em gonna show so much as a nipple.....what the fuck is up with that. its always the same old livin in a fantasy world 50 people that wont even put up a real profile pic.....i think the ones that get me the most are the assholes using a questionable military background just to get a few rubs on the thigh 10 will get ya 20 the closest they have been to the army is watchin full metal jacket.....remember when yahoo was an all out fuck fest...now those were the days now its just a bunch of credit card bots and jackin off trannies waitin for their estrogen to take effect so they got tits that they wont show on cam anyway :lol:...fuckin pedophiles have ruined it for all of us.....i dont think i can go back in the cam room its startin to give me the shits from all the "hi how ya doin" bullshit..lets see some tits and clits.....lets see some hard core suckin and shit....if not change the fuckin name to diabetes central cuz it sure aint no adult cam chatroom well ive vented again and i continue my search for a real adult cam room where ya gotta turn on your cam or get out.....theres no place like home theres no place like home.....
