If this is social networking....there shouldn't be profiles. There should be headstones.....

At any rate, it's a shot at meeting nice folks....so drop me a note so I know there's life here.... :unsure:

There's life here. We're still a pretty new site (just about a year old) so we're still not well known. People usually chat in the evenings/night. And I'm working on trying to get more posts into the forums. Welcome to OohYa!
